What is STUNT to Central OK?

STUNT is in our blood. It's a piece of every #BABFFFU athlete. UCO won three national championships in a row, and it has set a precedence for our current athletes and for athletes in the future. We will continue to have success in STUNT because these athletes are fighters and won't settle for anything else.

STUNT to UCO is tradition. It's carrying on a legacy that has been set before us by Alumni and coaches of the past and present. It's pushing through blood, sweat, tears, bruises, and injuries for your team. STUNT to UCO is everything!!

-Kitty Turley #15

Stunt to UCO is all about bringing the green beans. -Madison Sherrill

"STUNT gives our team the chance to put all of our trust in each other. It takes every athlete's best qualities to make each routine the best it can be, and we have to trust that everyone will put it all on the mat for their team"

-Kiersten Snodgrass
