Dear Acting President Satish Udpa,

Congratulations to Michigan State University's STUNT Team and Head Coach Caitlyn Vermiglio on placing second in the 2019 Division I College STUNT National Championships! I understand this is Michigan State's third consecutive year advancing to the championship - that is an outstanding achievement, not only for the team and Coaches Vermiglio, Brianna Ferguson, and Paige Thornton, but for the university and our state, as well.

I appreciate that STUNT has been an asset to your institution in providing new athletic opportunities for women on campus, and I applaud you for being a trailblazer in participating in this exciting sport.

That its participation has grown to over 50 colleges and universities in over 20 states makes your program's continued success all that more impressive.

You, your team, and Michigan State University stand commended for your achievement in this national competition, and I look forward to your future success and accolades, particularly as STUNT advances to NCAA inclusion and expands to even more colleges in Michigan and around the country.

Sincerely,

A handwritten signature in black ink that reads "Elissa Slotkin".
